Opening Ceremony:
Centre for Artificial Intelligence

29 June 2021, 15:50-17:30

We cordially invite you to celebrate with us the opening of the ZHAW Centre for Artificial Intelligence. An innovative virtual reality setting provides the backdrop for a few short highlight presentations, with relaxing musical interludes by AI music pioneer Prof. Ralf Schmid. A panel discussion and virtual apéro provide ample time for discussion and networking.

- 15:50** Doors open & musical performance
- 16:00** Short welcoming speech
Prof. Dr. Dirk Wilhelm
Prof. Dr. Jean-Marc Piveteau
- 16:15** Keynote: 10 challenges for Europe's position in AI and how to overcome them
Dr. Morten Irgens
CLAIRE – Confederation of Laboratories for Artificial Intelligence Research in Europe
- 16:35** Centre for Artificial Intelligence: Highlights
Prof. Dr. Thilo Stadelmann
- 16:45** Musical performance
Prof. Ralf Schmid
Pyanook
- 16:50** Panel with the speakers, students and employees, open for your questions
- 17:05** Virtual apéro
- 17:30** Farewell & Goodbye

Moderator: **Claudia Sedioli**
