

Video Matrix for Medical Diagnostics

- Medical grade video mixing up to 4K resolution
- Routing and mixing of Ultrasound, X-ray and PC-Video
- Based on HDBaseT (High Definition Over Twisted Pair)
- Remotely supplied HDMI inputs (Power over Ethernet)
- Research project with Storz Medical AG, Tägerwilen, TG

Research Area System on Chip Design

Tobias Welti, tobias.welti@zhaw.ch

Dominique Cachin, dominique.cachin@zhaw.ch
