

## Facts & Figures

The ZHAW School of Engineering as one of the leading Engineering Faculties in Switzerland emphasizes topics which will be relevant in the future. Our 13 institutes and centres guarantee superior-quality education, research and development with an emphasis on the areas of energy, mobility, information and health.

### Facts & Figures

#### Dean

Prof. Dirk Wilhelm

#### Number of Students (Fall 2019)

Bachelor and Master degrees	2259
Continuing education	1012

#### Staff (Spring 2020)

Lecturers	247
Researchers and Assistants	353
Administrative/technical Staff	91

### Institutes and Centers

- Centre for Aviation
- Centre for Product and Process Development
- Institute of Signal Processing and Wireless Communications
- Institute of Applied Information Technology
- Institute of Applied Mathematics and Physics
- Institute of Computational Physics
- Institute of Data Analysis and Process Design
- Institute of Embedded Systems
- Institute of Energy Systems and Fluid Engineering
- Institute of Materials and Process Engineering
- Institute of Mechanical Systems
- Institute of Mechatronic Systems
- Institute of Sustainable Development

### Graduate and Undergraduate Programs

#### Bachelor of Science UAS Zurich

- Aviation
- Electrical Engineering
- Energy and Environmental Engineering
- Computer Science
- Mechanical Engineering
- Systems Engineering
- Transportation Systems
- Engineering and Management

#### Master of Science in Engineering

The ZHAW School of Engineering offers a Master's programme in the areas of Aviation, Business Engineering, Civil Engineering, Computer Science, Data Science, Electrical Engineering, Energy and Environment, Mechanical Engineering, Mechatronics and Automation, Medical Engineering and Photonics

#### Continuing Education

4 Master of Advanced Studies (MAS), 6 Diploma of Advanced Studies (DAS), 24 Certificates of Advanced Studies (CAS), 13 Continuing education courses and seminars focusing on contemporary topics in a wide range of technical fields.
