The ZHAW School of Engineering as one of the leading Engineering Faculties in Switzerland emphasizes topics which will be relevant in the future. Our 14 institutes and centres guarantee superior-quality education, research and development with an emphasis on the areas of energy, mobility, information and health.

Facts & Figures
Dean
Prof. Dirk Wilhelm
Number of Students (Fall 2021)
Bachelor and Master degrees 2243
Continuing education 1164
Staff (Spring 2022)
Lecturers 246
Researchers and Assistants 420
Administrative/technical Staff 104

Institutes and Centers
- Institute of Applied Information Technology
- Institute of Applied Mathematics and Physics
- Institute of Data Analysis and Process Design
- Institute of Energy Systems and Fluid Engineering
- Institute of Mechanical Systems
- Institute of Mechatronic Systems
- Institute of Sustainable Development
- Institute of Signal Processing and Wireless Communications
- Institute of Computational Physics
- Institute of Embedded Systems
- Institute of Materials and Process Engineering
- Centre for Artificial Intelligence
- Centre for Aviation
- Centre for Product and Process Development

Graduate and Undergraduate Programs
Bachelor of Science UAS Zurich
- Aviation
- Data Science
- Electrical Engineering
- Energy and Environmental Engineering
- Computer Science
- Mechanical Engineering
- Systems Engineering
- Transportation Systems
- Engineering and Management

Master of Science in Engineering
The ZHAW School of Engineering offers a Master's programme in the areas of Aviation, Business Engineering, Civil Engineering, Computer Science, Data Science, Electrical Engineering, Energy and Environment, Mechanical Engineering, Mechatronics and Automation, Medical Engineering and Photonics

Continuing Education
5 Master of Advanced Studies (MAS), 6 Diploma of Advanced Studies (DAS), 26 Certificates of Advanced Studies (CAS), 17 Continuing education courses
