Student exchange program

European Nursing Module ENM

The European Nursing Module (ENM) offers nursing students a unique short-term international exchange experience. Participants gain insight into healthcare, culture and nursing practice in another European country.

Exchange program for Bachelor nursing students

The short-term program is open to Bachelor of Nursing students who have a minimum English proficiency level of B2.

Date: 8–19 March 2027

For Incoming Students (Switzerland)

Approximate Costs:

Accommodation: 490 CHF (2 weeks, youth hostel)

Meals: 15–20 CHF/day

Transport: up to 200 CHF

Requirements for Clinical Visits

Mandatory vaccinations: Tetanus, Polio, Hepatitis B (updated)

Valid health insurance (EU: EHIC; non-EU: proof of insurance)

Recommended: personal liability insurance

Location

Winterthur is a very pretty small town about a 20 minute train ride from Zurich.

Registration Incoming students

Contact ENM/International Relations at your home institution

For Outgoing Students
