# Writing Clinic

Stuck on writing a paper,  
a thesis or lab report in English?

Need help with planning, structuring, editing, or improving clarity and flow? The Writing Clinic offers tailored, one-to-one support for your writing projects.

## We can help with

- Planning your writing
- Clarity, flow, cohesion & coherence
- Structuring, grammar & vocabulary
- Using supervisor feedback effectively
- Using AI tools responsibly

## How it works

- Up to 5 x 60-minute sessions per project
- Flexible scheduling (in-person or online)
- Bring a short sample of your writing and your questions to the first session
