

Wyss Zurich

3 July 2024

**TEDD Visit: The Wyss Zurich
Translational Center (Wyss
Zurich)**

Zurich, Switzerland

Wyss Zurich

About Wyss

The Wyss Zurich Translational Center (Wyss Zurich) is a unique accelerator, embedded within ETH Zurich and the University of Zurich, that is dedicated to the emerging fields of regenerative medicine, robotics, and medical devices/bionics technologies.

TEDD Competence Centre

Program

- 9:30 - 10:00 **Doors Open & Registration**, Coffee & Gipfeli
- 10:00 - 10:10 **Introduction**, Markus Rimman, Head of TEDD Competence Center
- 10:10 - 10:20 **Overview of Wyss Zurich Translational Center**, Isabella Martini, Community Manager
- 10:20 - 10:30 **Presentation – Biomedical and Robotics Technologies Platform**, Stefan Bertschi, Platform Head
- 10:30 - 10:40 **Presentation – Regenerative Medicine Technologies Platform**, Michael Nägeli, Head of Supply Chain Management
- 10:40 - 10:55 **Presentation – Clinical Trials Center**, Rejelle Williams, Head Clinical Research Ward
- 10:55 - 11:00 Break (5min)
- 11:00 - 11:15 **Project Presentation – Liver4Life**, Andrea Venturato, Product Lead
- 11:15 - 11:30 **Project Presentation – MUVON**, Deana Mohr, Project Lead
- 11:30 - 11:45 **Project Presentation – Nanoflex**, Valentin Khatchatourian, Finance Lead
- 11:45 - 12:00 **Q&A + Group Photo**
- 12.00 - 13:30 **Lunch**
- 13:30 - 13:45 **Tour 1: Biomedical and Robotics Technologies Platform or Regenerative Medicine Technologies Platform for tours**
- 13:45 – 15:00 **Tour2: Biomedical and Robotics Technologies Platform or Regenerative Medicine Technologies Platform**
- 15.00 - 15.15 **Closing Remarks**, Markus Rimann / Isabella Martini

Wyss Zurich

Information

Number of participants is limited to 20.

Cost

TEDD Partners (two participants)	No entrance fee
3rd and next TEDD Partner	CHF 40
Others	CHF 80

Registration

Ends 26 June 2024

Wyss Zurich

Location

Wyss Zurich Translational Center
ETH Zurich/University of Zurich
Weinbergstrasse 35, WEH
8092 Zurich

Public Transport

Option 1: Walk 6 minutes from Zurich HB.

Option 2: Take trams 6, 7 or 10 from Zurich HB (Stop: Haldenegg).

More info check: [Google Maps](#)

Car Park

See below on the map. There is unfortunately no blue zone parking in Kreis 1 [check here](#).

Tissue Engineering for Drug Development and Substance Testing

About TEDD Competence Centre

TEDD (Tissue Engineering for Drug Development and Substance Testing) is an education, R&D and networking platform promoting the application of 3D organotypic technologies, with the core goal of replacing animal experimentation for therapies development.

Based in Switzerland, TEDD is focused on 3D for 3Rs. The community is composed of international members from academia, clinics, industry and non-profits.

Training of members is achieved through regular events at the national and international level, including workshops, symposia, company visits, scientific reviews and we provide a platform to generate research consortia, projects and grant applications.
