

## OFFICIAL INTRODUCTION MEETING

### Master of Science in Life Sciences

The Master of Science in Life Sciences Programme at the ZHAW begins with this Introduction Meeting in Wädenswil.

We will provide you with important information that is essential for your studies and present relevant ZHAW services to you.

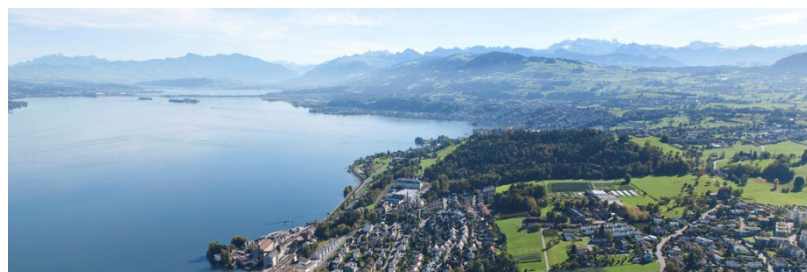

Specialisation specific inputs will be delivered in the Introductory Meeting with the Heads of Specialisation. See programme on the next page.

Last but not least, you will also have the opportunity to meet other new and current students who will share their experiences with you and enjoy a nice dinner on campus.

We look forward to welcoming you to the campus in Wädenswil.

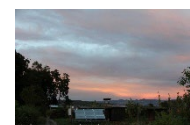

Dr. Andreas Hock  
Programme Director Master of Science in Life Sciences
