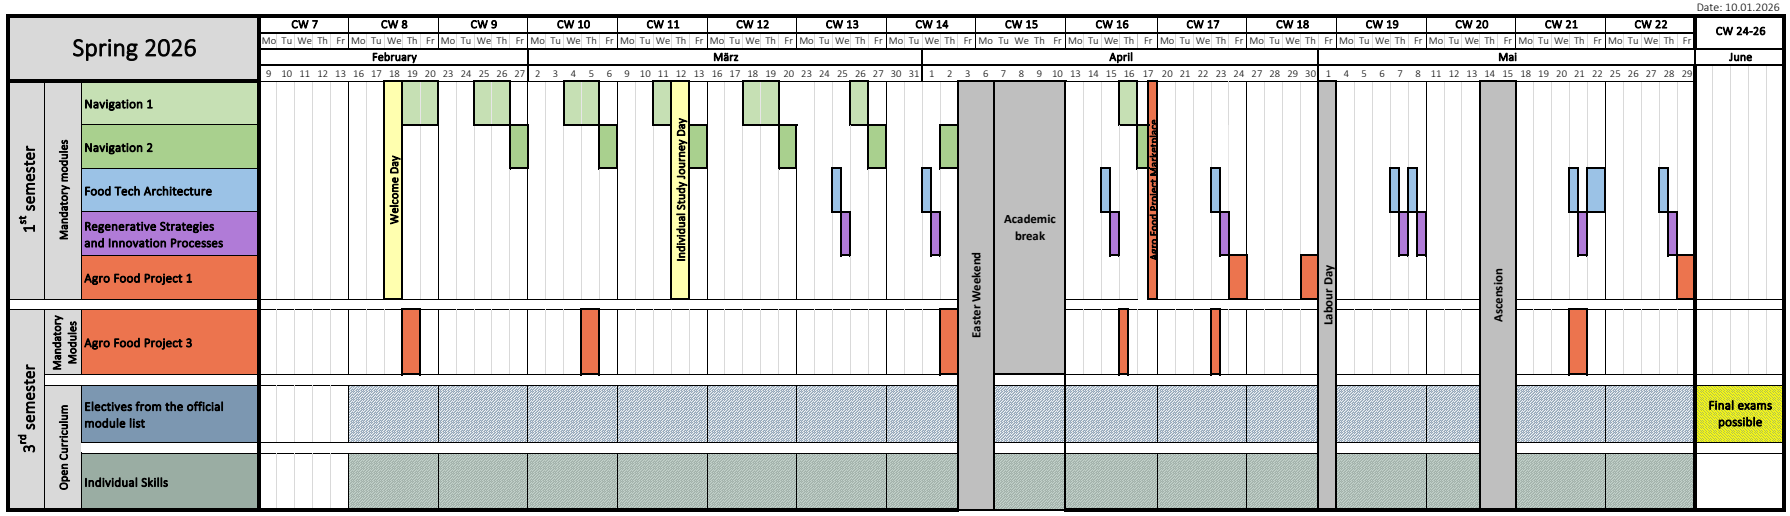
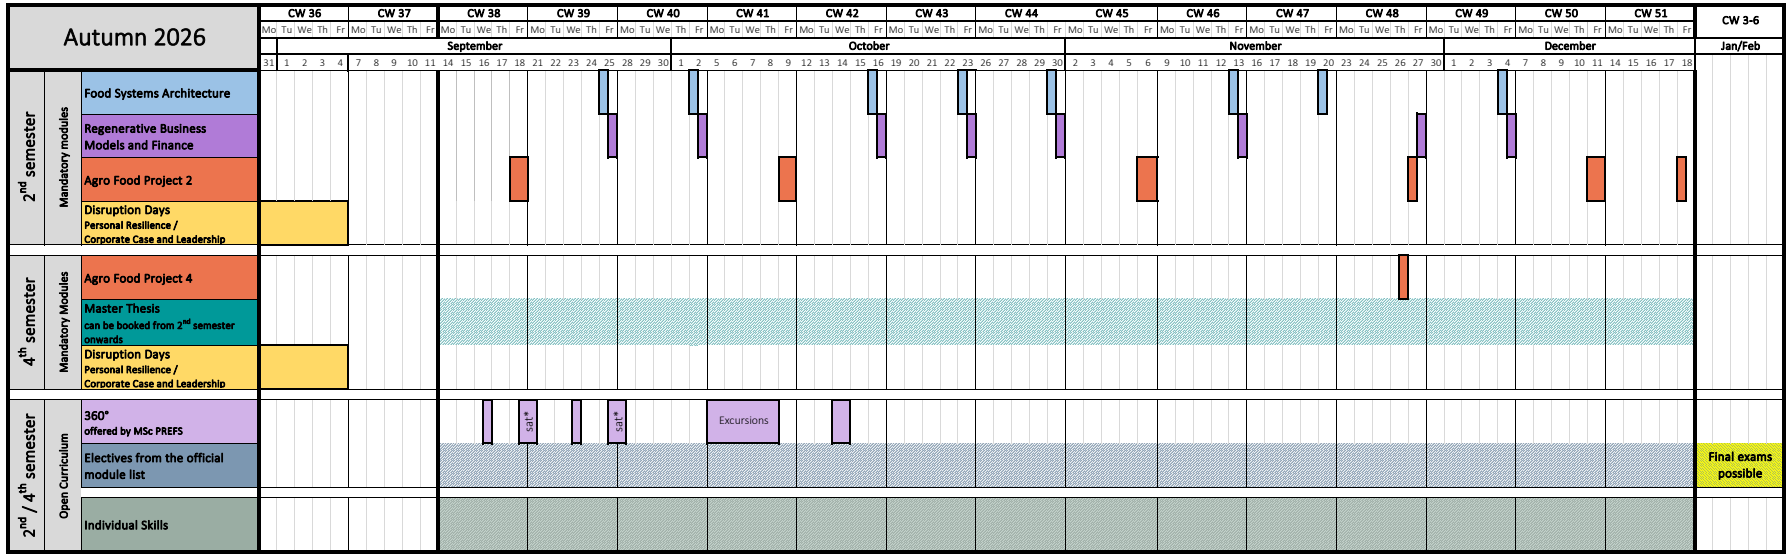
Annual Plan MSc in Preneurship for Regenerative Food Systems (2026)

(subject to change)

Date: 10.01.2026





CW: Calendar Week

sat*: the elective module 360° is offered during an excursion week in CW41 (Mon - Thu). Several lectures take place before the excursion week either as online classes late afternoon-evening, or on Saturdays. The highlighted blocks with the comment "sat*" take place on Saturdays and not Friday evening/Monday morning.

Lecture/workshop/excursion on site or online

Elective modules and/or Individual Skills modules may take place during this time

Time blocked for other module taking place at the same time

Final Exams: Deadlines in CW6 (autumn semester) and CW26 (spring semester)
