

## Decisions, Assessment, Risk and Evidence in Social Work – DARE 2024 conference

Thursday 20th June to Friday 21st June 2024, at the Zurich University of Applied Sciences (ZHAW), Campus Toni-Areal, Zurich

### ***Keynotes and accepted submissions as of 27 March 2024***

We have received many exciting submissions and are pleased to announce the acceptance of 51 oral presentations, 2 symposia, 3 workshops, and 12 posters. We are currently developing the program based on the accepted submissions. The detailed program will be announced on <https://www.zhaw.ch/dare>

#### ***Keynotes***

For information about the plenary speakers and their keynotes, see <https://www.zhaw.ch/en/sozialarbeit/weiterbildung/fachveranstaltungen/decisions-assessment-risk-and-evidence-in-social-work-dare/plenary-speakers/>

001	Keynote	Brian Taylor (Ulster University)	Decisions, Assessment and Risk: Where Are We Now?
002	Keynote	Rhema Vaithianathan (University of Technology)	Can using predictive risk models reduce racial bias? Evidence from Child Welfare and Homelessness Systems
003	Keynote	Cheryl Regehr (Toronto University)	Stress, Trauma and Decision-Making in Social Work

#### ***Oral presentations***

(will be presented in parallel sessions, \*presenting author)

116	Oral	Robert Porter*, Brandi Lee Lough Dennell*	A decision making ecology for 'voluntary' care arrangements: process, practice, and preferences
102	Oral	Gia E. Barboza-Salerno*, Hannah Steinke*, Jacquelyn C.A. Meshelemiah, Scottye Cash	A Multilevel Analysis of Individual and Community Factors Associated with Intervention Decisions Following Substantiated Child Abuse and Neglect
175	Oral	A.E. Gabriëls*, C.H.Z. Kuiper*, A.T. Harder	Algorithmic tools to help social workers in child protection service make well-informed decisions. The results of a scoping review.
120	Oral	Mary Baginsky*	Assessing parenting capacity: Missed opportunities and broken families.
105	Oral	David Wilkins*	Can social workers predict the future?
171	Oral	Olive Lyons*, Barbara Fallon*	Child Protection Workers' views on conducting Child Sexual abuse investigations: What factors influence their decision-making?
163	Oral	Carolina Coelho*, Dora Pereira, Madalena Alarcão	Child Protective Services: An Integrative Model of Clinical Supervision
109	Oral	Matthew Trail*	Child welfare predictive risk models and legal decision making
126	Oral	Brigitte Müller*, Aline Schoch*	Childrens' an parents' experiences of child protection proceedings: results of an interdisciplinary study
137	Oral	Lisa Norén*, Lisa Wallander, Martin Bergström	Coming to Terms with Risk Factors for Intimate Partner Violence Perpetration: A Scoping Review

173	Oral	Martina Koch*, Philomina Bloch-Chakkalakal*, Fabienne Rotzetter, Cornelia Rügger	Decision-making as “social problems work” - a case study from adult protection
106	Oral	Johan Vanderfaeillie*, Frank Van Holen, Camille Verheyden, Hubert Van Puyenbroeck, Rami Benbenishty	Decision-making on out-of-home care: the case of Flanders
151	Oral	Danielle Mcllroy*, Lorna Montgomery, Gavin Davidson	Decision-making processes in Learning Disability Services in Northern Ireland
103	Oral	Rosa Sitjes-Figueras*, Carme Montserrat, Pere Soler-Masó, Joan Llosada-Gistau, Mónica López-López	Decision-making processes on emergency foster care: How to improve them?
138	Oral	Laura Elizabeth Cowley*, Michael Jeanne Childs, Helen Hodges, Grace A Bailey, Martin Elliott, Lucy Griffiths	Disabilities in children receiving care and support in Wales and risk factors associated with being placed in care: A population-based data linkage study
125	Oral	Larissa Steimle*, Simon Fleißner*	Environments for intuitive decision-making: A theoretical framework for assessing intuitive-reasoning in social work
144	Oral	Ines Zuchowski*, Albert Kuruvila*, Rebecca Lee, Grace Jefferson	Evidencing the value of social work and social work placements for General Practice
101	Oral	Joseph Mooney*	Examining Disclosure of Childhood Sexual Abuse via a Social Model
178	Oral	Talia Schwartz Tayri*	Examining the Effect of Psychological First Aid Interventions using an AI WhatsApp chatbot
169	Oral	Kristen Lwin*, Alex Hoagland, Kofi Antwi-Boasiako, Peter MacKenzie, Barbara Fallon	Examining the Relationship between Child Welfare Worker Characteristics and the Substantiation Decision
170	Oral	Kristen Lwin*, Sarah Head, Rachel Jewell, Xiaohong Shi	Exploring the Relationship between Child Welfare Worker Wellbeing, Organizational Influences, and their Assessment of Risk of Future Maltreatment
162	Oral	Carolina Coelho*, Dora Pereira, Madalena Alarcão	Exploring the utility of the Parental Capacities Evaluation Guide in Clinical Supervision
140	Oral	Laura Elizabeth Cowley*, Michael Jeanne Childs, Rowena Bailey, Lucy Griffiths	Factors associated with placement instability amongst children in care: A scoping review of international literature
155	Oral	Friederike Fliedner*, Annette van Randenborgh	Guiding Clients Through Decisional Crossroads: Towards a Comprehensive Framework
135	Oral	Godfried van Agthoven*, Gabriel Otterman, Rajna Knez, Kathi Makoroff, Laura Korhonen	Health Examinations of Children in Out-of-home Social Care from a Social Work View – Child Protective Services Perspective
165	Oral	Renee Summers*	How Social Work practice is leading the way in implementing new decision-making legislation in an Irish National Rehabilitation Hospital
164	Oral	George Nikolaidis*	Implementing “Child Guarantee” Program in Greece
177	Oral	Diogo Lamela*, Carla Antunes, Francisca Alves, Inês Jongenelen	Individual and Organizational Determinants of Attitudes towards Evidence-Based Practice among Child Protective Services Workers in Portugal
134	Oral	Jarosław Przeperski*	Influences on Decision-Making in Child Welfare: A Study of Paradigms Among Social Work Professionals
143	Oral	Louise O’Connor*	Intersubjective emotion practices in systemic group supervision: Informing assessment and decision-making

124	Oral	Cora Bartelink*, Anne Steenbakkers, Marije van der Hulst	Join hands! Participative action research on interprofessional assessment and decision-making for families dealing with domestic violence
160	Oral	Liat Shklarski*, Kathleen Ray*	Navigating the Dilemma: Use of ChatGPT in Social Work Education
127	Oral	Melinda Gushwa*, Emily Douglas*	Overlooking Risk Factors During the Pandemic: An Ecological Approach Child Welfare Practice Decisions
104	Oral	Brandi Lee Lough Dennell*, Robert Porter*	Parental decision-making in 'voluntary' care arrangements: deciding within the shadow of compulsion.
150	Oral	Christoph Liel*, Susanne Witte, Heinz Kindler	Parental involvement and children's participation in decision making over time: Results from the analyses of case files in Germany
123	Oral	Yuval Saar-Heiman*, Anna Gupta*	Parenting through the Lenses of Risk and Othering: Constructions of Parental Cannabis Use in Care Proceedings in England.
118	Oral	Tuuli Lamponen*, Noora Aarnio	Social workers' assessment of a child's need for services as 'craftwork' practice
148	Oral	Cecilie K. Moesby-Jensen*, Morten Ejrnæs	Social workers' risk assessment in child protection with children with autism and/or ADHD
114	Oral	Karl Mason*	"Tell them what they want to hear": Re-considering assessment practices with people who are homeless
149	Oral	Tomer Carmel*, Cathy Spatz Widom	The Childhood Neglect Recollection Inventory: validity of a new instrument for adult self-reporting of childhood neglect.
108	Oral	Lukas Fellmann*	The contribution of Social Network Analysis to child protection research: A study example.
158	Oral	Florin Lazăr*, Anca Mihai*, Daniela Gaba, Georgiana Cristina Rentea, Ovidiu Pop, Lucian Alecu, Adrian Luca, Elen Silvana Bobarnat (Crivoi), Ana-Maria Mustatea	The effect of technology mediated mindfulness on stress and burnout of social workers in Romania
122	Oral	Jana Osswald*	The Importance of Reunification Expectations for Young People's Sense of Belonging in Residential Care
172	Oral	Donna O'Leary*, Frank Ebsen*, Olive Lyons*, Danielle Turney, Ravit Alfandari, Brian J Taylor, Christian Ghanem, Duncan Helm, Campbell Killick, Teresa Bertotti	Threshold Decisions in Social Work: Using Theory to Support Practice
159	Oral	Christina Bruhn*, Sarah Dyson, Stephen Budde, David Ansong	Understanding and addressing the factors that affect caseworker decisions to refer and link children and parents to mental health and therapeutic parenting services in Family First
153	Oral	David Bard*, Will Beasley, Xiaolan Liao, Yaqi Li, Lana Beasley	Unleashing Machine Learning on Assessment Data to Bolster Alternative-to-Placement Decisions: Lessons Learned from an 8-Year Predictive Risk Model Implementation
176	Oral	Talia Schwartz Tayri*, Michal Maimon*, Noia Kogman	Unveiling Childhood Adversity: Data Linkage Insights from Israel
167	Oral	Pia Hollenbach*, Olivia Frigo-Charles*, Anke Kaschlik, Eva Mey, Elias Brandenburg, Tobias Nägeli	Urban Spaces and Youth Resilience: Youth Participation in Research and Decision Making Processes
115	Oral	Donna O'Leary*	When is enough? Deciding on service provision when domestic violence features in child protection initial assessments: empirical evidence from sequential qualitative and quantitative studies in Ireland
131	Oral	Diana Schneider*	"You have to be on guard that they don't try to abolish our profession" – Views on AI-based algorithmic decision-making systems from a stakeholder perspective
147	Oral	Katie Riches*	"You're just not going to know, are you?" Exploring Social Workers' sense-making processes and judgements of parental capacity for change; balancing hopes, worries and resources across past, present and potential future

## Posters

(will be presented in a poster exhibition on 20 June, 2.15pm and will be available during the conference, \*presenting author)

154	Poster	Vânia S. Pinto*, Eunice Magalhães	All you need is love? A meta-synthesis on the role of foster carers according to the views of key stakeholders.
112	Poster	André Heinz*, Marcel Pietsch*	Dan Brown meets ChatGPT - Conspiracy Narratives on YouTube and Co. On the Importance of News Literacy among Young People
142	Poster	Carina Pohl*, Marion Pomey	Decision making and the out of home placement process from the perspective of children
128	Poster	Anna Zenarolla*	Decision-making processes and conditionality. How to implement decision-making processes capable of supporting beneficiaries of economic measures by preventing them from being sanctioned
107	Poster	Lia Levin*	Existential epistemic injustice: An overlooked barrier to recognizing and addressing risk
113	Poster	Ieva Salkauskiene*, Inger Sofie Dahlø Husby, Randi Lise Juul	Exploring trust-building in collaborative processes with children within in-home child welfare services
146	Poster	Moritz Reisberger*, Lena Rolvering*	Insights into the Development of Social Work Knowledge and Decision-Making during Times of multiple Crises: A Qualitative-Exploratory Study with Social Workers in Tyrol, Austria
130	Poster	Barbara Lee*, Michelle O’Kane*, Kristen Lwin*	Integrating Experiential Learning: Exploring the Influence of Social Work Students’ Knowledge and Personal Experiences on Judgement and Decision-Making in a Child Abuse Simulation
168	Poster	Olivia Frigo-Charles*	Navigating Crises in Deindustrialised South Wales
129	Poster	Andrea Ćosić*, Anja Miroslavljević, Ivana Maurović, Gabrijela Ratkajec Gašević	New possibilities for assessing behavior problems: Introducing Questionnaire on Child and Adolescent Behavior (QCAB) in Croatian Social Welfare system
141	Poster	Elena-Loreni Baciú*, Theofild Andrei Lazăr*, Loredana Trancă	On-site or on-line? Reflections on the effectiveness of two delivery formats of social work interventions, based on an intervention program with incarcerated Romanian juvenile offenders and university students in social work
139	Poster	Elena-Loreni Baciú*, Florin Lazăr*, Mihai Bogdan Iovu*, Coņțiu Tiberiu Șoitu*, Diana Cristea, Voichița Tomuș	The first census of the social services workforce in Romania: Its story and main results

## *Symposia*

(will be presented during the parallel sessions, \*presenting author)

174	Symposium	Tim Tausendfreund*, Loraine Visscher*, David Lätsch*, Susanne Höfte*, Els Evenboer*, Joel Gautschi, Anja Bunthof	Care for families with multiple problems – effectiveness, ethical and decision making issues
174.1		Loraine Visscher*	Similarities and differences between interventions for families with multiple problems and their content in daily practice
174.2		David Lätsch*, Joel Gautschi	The limited effects of home-visiting services to prevent child abuse and neglect: Empirical evidence and ethical implications
174.3		Susanne Höfte*, Dorien Graas*, Anja Bunthof	Doing justice to children in ethical and legal considerations by professionals in residential youth care.
174.4		Els Evenboer*	Care for families in complex situations – norms, values and ethical questions
166	Symposium	John Fluke*, Donna O'Leary*, Matthew Trail*, Kofi Antwi-Boasiako*, Kristen Lwin*, Floor Middel, Barbara Fallon, Bryn King, Nico Trocmé	Lesson from the Child Protection Workforce: Studies of the Role of Attitudes, Beliefs Stereotypes and Bias in Decision Making
166.1		John Fluke*, Floor Middel	The effect of child protection attitudes on child protection decision-making: the mediating role of stereotypes
166.2		Donna O'Leary*	Mechanisms that explain judgments and decisions during Initial Assessments in an Irish Case Study: interactions in the Decision Making Ecology
166.3		Matthew Trail*	Dagleish score differences amongst professional roles within the greater child welfare community
166.4		Kofi Antwi-Boasiako*, Barbara Fallon, Bryn King, Nico Trocmé, John Fluke	Child welfare workers and community service providers' viewpoints on Black children's overrepresentation in the child welfare system of Ontario, Canada
166.5		Kristen Lwin	Exploring child welfare workers' clinical assessment of risk of future maltreatment and their attitude towards the child welfare system in one child welfare organization

## ***Workshops***

(will be held during the parallel sessions, \*presenting author)

119	Workshop	Loraine Visscher*, Els Evenboer*	Involvement of the social network of families with multiple problems: an example of how existing knowledge (from research, professionals and experienced-experts) can be translated to a practical tool for professionals
121	Workshop	Liesanth Yde Nirmalarajan*Anne Marie Villumsen*, Line Berg*, Simon Bodilsen*, Michael Rosholm, Sanne Dalgaard Toft	Predictive risk modelling as a tool for supporting decision making in social work with children and families at risk.
145	Workshop	Y.M.M. De Silva*, Pia Hollenbach*, Melanie Gall*, Kati Orru*, Caroline Schmitt*, Meryllyn Viinmerilyn*, Olivia Frigo-Charles*	Social Work and Disaster Governance: Exploring Ignorance, Sense-making, and Reflective Practice
