AMERICAN UNIVERSITY'S
KOGOD SCHOOL of BUSINESS

REAL-WORLD EXPERIENCE

Apply the tools and methodologies acquired in your studies during an **international capstone**, working directly alongside companies on the forefront of sustainability.

DEDICATED *to* SUSTAINABILITY

At Kogod, we practice what we preach—we are the **first carbon-neutral university** in the country and are an **AASHE-certified** green campus.

EXPERT FACULTY

Our faculty are gamechangers in sustainability, specializing in areas like **ESG (Environmental, Social, Governance), analytics, and sustainable entrepreneurship**, preparing you for a variety of career paths.

BEST-IN-CLASS *for* AI

Kogod **integrates Artificial Intelligence (AI) into all relevant courses**, ensuring you stay ahead of trends. Don't take our word for it—Poets & Quants recognized us as Best in Class for AI in 2024.

RETURN *on* YOUR INVESTMENT

A Kogod degree **opens doors**. Our graduates go on to work at companies like Deloitte, EY, World Wildlife Fund, World Bank Group, and more.

AT THE NEXUS OF BUSINESS, POLICY, *and* GOVERNMENT

Learn in the **heart of Washington, DC**, where some of world's most influential government, media, and financial institutions are located.
