

Module Offer in English - Master's Level Academic Year 2021/22

All Master modules in English are listed below. Please click on the module code in the column "Module Description" to access the complete module information (internet connection required).

Please note the following:

- All Master level modules require specific advanced knowledge. It is the responsibility of students to ensure that prerequisites are met.
- This module offer is provisional and hence subject to change. Therefore, no places can be guaranteed in advance.
- Master level modules take place Monday till Wednesday. The schedule of most Master level modules are fluid and not the same every week. In order to avoid an overlap of different modules, only modules of the same program and term can be chosen (exceptions can be made for modules that consist of autonomous self-study).
