The SML is regularly included in rankings published by the Financial Times, including the best European business schools' listing.

STAYING CONNECTED

In addition, the close ties the SML has to companies and organizations as well as its extensive alumni network will give you excellent career prospects.

PRACTICAL ORIENTATION

At the SML, not only are instructors academically qualified, but they also have extensive practical experience as well as access to a broad professional network. Teaching is oriented towards practical experience. In addition, the program provides opportunities for you to meet potential future employers.

DIGITAL LEARNING

AN IMPRESSIVE NATURAL ENVIRONMENT

Switzerland is famous for its outstanding natural beauty and diverse countryside. Adventurous hikes in the mountains, river and lake cruises, world famous ski regions, and a Mediterranean atmosphere in the country's southern region – these are just some of the reasons to choose Switzerland and the SML as a study destination.
